1. Purpose of the Scheme

The Rochdale Borough Council town centres start-up scheme is a discretionary scheme which awards grants of up to £5,000 to independent new business to set up in our town centres, within a defined boundary in the three town centres of Rochdale, Middleton and Heywood (see attached maps).

The aim of the scheme is to:
- Bring empty properties back into use and to support their occupation.
- Support the local economy by encouraging new independent new business start-ups and creating new jobs.
- Enhance the appearance and appeal of the main shopping areas in Rochdale, Middleton and Heywood to visitors, customers and the local community.
- Reduce the number of empty shops in the eligible areas.

Priority will be given to proposals that maximise visual improvement, have a sustainable business proposal and where the improvement is likely to be long lasting.

The scheme's budget is limited and will be paid out on a first come first served basis and the maximum available per hereditament (property) is £5,000.
